SEPA MITIGATED DETERMINATION OF NONSIGNIFICANCE

Notice is hereby given that on January 28, 2013 the Town of Hunts Point issued a MITIGATED DETERMINATION OF NONSIGNIFICANCE (MDNS) under the State Environmental Policy Act Rules (Chapter 197-11 WAC) for grading of 1,850 cubic yards of material for construction of a new single-family residence, as proposed by Ed Horner for Kevin Taylor. The project is located at 3235 Hunts Point Road, Hunts Point, Washington. After review of a completed environmental checklist and other information on file with the Town, the Town of Hunts Point determined that this proposal will not have a probable significant adverse impact on the environment.

Copies of the environmental checklist and MDNS are available from the Town of Hunts Point, 3000 Hunts Point Road, Hunts Point, Washington, 98004. The public is invited to comment on this MDNS by submitting written comments to Sue Israel, Deputy Clerk, 3000 Hunts Point Road, Hunts Point, Washington 98004 by February 12, 2013.
