If your storm drain or catch basin becomes clogged, contact the Town as soon as possible.

See Something Say Something

The Medina Police Department encourages citizens

to **always** report suspicious activity by calling 9-1-1. The phone operators are well-trained to quickly assess any situation and take appropriate action. Calling 9-1-1 versus the Medina Police Department general line will enable police to respond and take necessary action faster.

If you see something you think looks suspicious, call 9-1-1.

When calling, be as descriptive as possible to describe the situation. Remember, suspicious behavior or activity does not always indicate ill intent or crime, but your observations can make a difference by helping to deter, prevent, or respond to crime.

Join Hunts Point's Planning Commission

Hunts Point's Planning Commission is made up of Town residents who offer their time and expertise to help shape Hunts Point's future. They meet on an as-needed basis; no more than once a month and usually less. The Planning Commission advises the Town Council on matters involving zoning, land use and long range planning.

There is currently a vacancy on the Commission. To learn more contact Town Hall: depclerk@huntspoint-wa.gov or (425) 455-1834. The Town of Hunts Point is strongly committed to citizen participation in government.
