ELECTRONIC PERMIT SUBMITTAL

The Town of Hunts Point is now accepting all plans electronically to facilitate review times and reduce reprographic costs.

INITIAL SUBMITTAL

1. All documents are to be submitted electronically to permits@huntspoint-wa.gov. Your permit fee will be required before drawings can be uploaded to the permit tracking program for review.
2. All documents listed on the permit checklist will be required to be uploaded with your submittal.
3. Documents must be in PDF format and security setting must allow reviewer editing.
4. Electronic drawings must be submitted, not scans of drawings.
5. All drawing sheets must have page number and title so that reviewers can easily move through the plans.
6. Structural calculations should be broken down into subheadings, such as general, gravity, and lateral.
7. All drawings should be included in a single PDF, however, other support documents such as calculations, reports, worksheets, etc. must be included in separate PDFs.
8. As the plans are being reviewed, the reviewer will notify the applicant by email of any changes that need to be made.

RESUBMITTING

1. When resubmitting a document, the applicant needs to include the entire document, not just revised sheets.
2. The applicant must cloud all revisions.
3. All revisions the applicant makes to the documents must be permanently incorporated into the submitted documents before resubmitting.

PLANS APPROVAL

1. When all reviews are complete and approved, the Town will have your drawings and necessary support documents ready to be issued.
2. The applicant will be notified by the Deputy Clerk of the fees that need to be paid before the permit(s) can be issued.
3. After the fees have been paid, the Deputy Clerk will send the applicant the plans and supporting documents to print out and post on site until completion of the project.
