CONSULTANT FEE – CONTRACT STAFF

Any person or organization desiring to consult with the contract staff at the Town of Hunts shall submit a fee, at the going hourly rate before it can be scheduled.

Fees charged to the Town for consultations with contract staff services at the request of a resident, other person or firm will be passed on to that resident, other person or firm based on the actual cost to the Town plus a 10% surcharge unless related to the original plan review. Persons requesting such consultations shall prepay for one hour of the consultant’s time plus a 10% surcharge to cover processing the request by regular staff. No request will be forwarded to contract staff until this prepayment is received.
