

Special Use Permit for Wireless Facilities and Checklist

Special use permits for wireless facilities are governed by Section 18.43 of the Hunts Point Municipal Code (HPMC). With respect to the placement of antennas on an antenna support structure, the requirements for a special use permit will be applicable, based upon the height of the antenna mount and antenna or antenna support structure, except as otherwise provided in Chapter 18.43. Special use permits are required for wireless facilities proposed to be more than 26 feet in height, or for those situations in which the applicant desires to vary from any term or condition of Chapter 18.43. This permit may require review by a third party.

(If the proposed antenna is less than 26 feet in height or the applicant does not desire to vary from any term or condition of Chapter 18.43 then a site development permit is necessary.)

Initial Consultation – Pre-application Conference:

A pre-application conference is required prior to submittal of a special use permit for wireless facilities.

Submittal, Preparation and Fee:

Upon receipt of a complete application, town staff will issue a notice of application which shall be posted on the street right-of-way adjacent to the site of the application in a location which is clearly visible to the public and posted at all of the regular posting sites maintained by the town, and sent to other parties as outlined in HPMC 11.10.160(4).

SEPA Procedure:

Decisions pertaining to the application to site wireless service facilities are not subject to the State Environmental Policy Act (SEPA, specifically RCW 43.21C.030(2)(c)), if the facilities meet the requirements of RCW 43.21C.0384 (as that section currently exists or may be amended in the future). The town may also follow the procedures set forth in RCW 80.36.375 (as that section currently exists or may be amended in the future), where a wireless service provider applies to cite several “microcells” (as defined in RCW 80.36.375(2)(b)), in a single geographical area. Can be obtained at:

<https://www.ecy.wa.gov/programs/sea/sepa/forms.htm>

Hearing Procedure:

The notice of application shall be provided at least 15 days prior to the public hearing date, in accordance with Chapter 11.10 HPMC. The hearing examiner shall act on a special use permit only after a public hearing, as provided in Chapter 11.10 and 18.43.013 HPMC. Upon completion of the public hearing, the hearing examiner shall review, approve, conditionally approve or deny the special use permit. The special use permit will be approved if the applicant demonstrates consistency with the policies of Chapter 18.43.013 HPMC.

PERMIT TYPE: _____ PERMIT NUMBER: _____

Proof of Agency

A proof of agency is required for the acceptance of any permit where the permit applicant ("agent") is not the recorded owner of the property ("owner"). If the owner is a corporation, LLC, LLP, or partnership, this form must be completed and signed by the chief executive of the entity that holds ownership of the property in question.

Owners who apply for permits on their own behalf do not need to complete this form. **All other applicants must fully complete this form, including the owner's signature, before the Town of Hunts Point will process any application documents.** Each separate application must include an original, fully executed, Proof of Agency/Hold Harmless Agreement.

To BE COMPLETED BY OWNER:

I, _____, as the owner of <small>(print name of property owner or, in case of corporation, LLC, LLP or partnership, company Chief Executive)</small>			
the above-referenced property, hereby authorize the person or entity outlined below (the "agent") to act as my sole agent regarding the above-referenced property, and further stipulate that the agent may act on my behalf for purposes of filing applications for decisions, determinations, permits, or review under any applicable Hunts Point Codes, and further stipulate that the Agent has full power and authority to perform, on my behalf, all acts necessary to enable the Town to process or review applications, issue permits, authorize revisions, and perform inspections required under all codes in force. I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Hold Harmless Agreement

A hold harmless agreement is required for the acceptance of any permit, and must be signed by the property owner. If the owner is a corporation, LLC, LLP, or partnership, this form must be completed and signed by the chief executive of the entity that holds ownership of the property in question. There are no permits or circumstances under which the town will accept an application without an executed hold harmless agreement.

TO BE COMPLETED BY OWNER:

I, _____, as the owner of
(print name of property owner or, in case of corporation, LLC, LLP or partnership, company Chief Executive)
the above-referenced property, I hereby agree as a condition of permit application and/or issuance, to protect, defend, and hold harmless the Town of Hunts Point, its officers, agents and employees, and to indemnify them from all liability, loss and expense, including reasonable attorneys fees, that the Town of Hunts Point, its officers, agents and employees may incur by reason of accepting this application and/or issuing this permit, and all other acts taken by the Town of Hunts Point relating to the work described under the permit documents including but not limited to plans examination, issuance of permit(s), inspection and approval of construction and issuance of certificates of occupancy, to the extent that any such liability, loss and expense results from any errors or the misrepresentation of any material fact in the permit application documents, whether negligent or intentional. I further certify that I am the owner of the property referenced at the top of this document. **I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.**

SEPA Process

The State Environmental Policy Act (SEPA) was established to ensure that environmental values are considered by local government when making decisions. Decisions include development decisions such as preliminary plats, shoreline substantial development permits, other official actions, as well as certain legislative actions. Agencies must follow specific procedures and processes to assure that appropriate consideration has been given to the environment.

Initial Consultation:

A pre-application conference may be required by the Building Services Department and shall address environmental issues.

Submittal, Preparation and Fee:

An application for SEPA Determination must be associated with a land use or building permit. Upon submittal of an action, the Building Services Department reviews the checklist and all documentation to define the level of direct environmental impact associated with the proposal. The application shall be accompanied by the fee as set forth by resolution. Contact the State of Washington State Environmental Policy Act (SEPA) for the current edition of the SEPA form: <https://www.ecy.wa.gov/programs/sea/sepa/forms.htm>

The threshold determination shall be made by the responsible official and shall consist of one of the following: 1) A Determination of Significance (DS), which means that the project represents significant adverse environmental impacts and requires preparation of an Environmental Impact Statement (EIS), 2) A Determination of Non-Significance (DNS), which means that the project does not represent significant adverse environmental impacts, 3) A Determination of Non-Significance – Mitigated (MDNS) which lists specific conditions, modifications, or measures to be implemented into the proposal to avoid the significant adverse environmental impact. The responsible official shall complete threshold determinations based upon review of the environmental checklist and other documentation for the proposal within 15 days of the date an application and completed checklist are deemed complete, with exceptions as pursuant to HPMC 16.05.080.

Under SEPA, a project may also be determined categorically exempt. Except in extraordinary circumstances, the responsible official will decide whether an action is categorically exempt within seven days of receiving a completed application. Other actions that the responsible official may take include: 1) Adoption of an existing SEPA document, provided that the adopted document clearly anticipated the stated impact and provided for mitigation of any significant impacts, 2) other actions as outlined in HPMC 11.10.170.

There is a 15-day SEPA comment period, followed by a 14-day appeal period. Appeals shall be conducted for a SEPA determination pursuant to HPMC 16.05.290.

The application for SEPA shall be accompanied by the fee as set forth by resolution.
